

Welcome to Central Elementary. I have been a proud member of Linden Community Schools for 14 years. I was initially hired as special education teacher at Linden High School. However, over the span of the following years was I had the privilege to teacher at both Linden and Central Elementary. The past six years I was the assistant principal at Linden Middle School. I am extremely excited to back at Central Elementary.

I graduated from John Glen High School in Westland Michigan. Because of the desire to serve my country, and to follow in my father's footsteps, I enlisted in the United States Marine Corps. Upon completion of service, I pursued my educational path. I received my Bachelor of Science degree from Eastern Michigan University as well as a master's degree in educational leadership. I also earned a master's degree in special education from Madonna University.

My wife and I reside in Linden. We feel blessed to have raised our son in such a fantastic community. He has derived much of who he is because of Linden Schools and the family oriented community that makes Linden so special.

If you want to discuss a concern or just want to say "hi", please feel free to stop in.
