### 7<sup>th</sup> Grade Trip RENAISSANCE FAIRE:

Parents, the BRMS Seventh Grade trip to the New Jersey Renaissance Faire is only a month away on May 31st. The Faire which is held at Liberty Lake in Columbus is a daylong immersion in the culture of the Renaissance featuring, art, literature, music, horsemanship, and of course what would a faire be without a little Human Chess!

In addition there are period craftsman and artisans selling their wares. The trip dovetails perfectly with both our LA curriculum (we will be in the midst of reading Shakespeare's *Much Ado About Nothing*) and our Social Studies curriculum.

As we get closer to the trip we will have specific information for your children about bus assignments, rules within the Faire, and student responsibilities as representatives of you, their school and themselves, but for now check out the official website for more information.
