### **November is National Career Development Month**

Yesterday, I had an amazing time with first grade students as we discussed their dream careers - artist, singer, police officer, soldier, cowboy, queen, actor, doctor, teacher or "just

being rich!" It's such a delight seeing students thinking, daydreaming, drawing, writing and talking passionately about what they want to do when they grow up. You can do the same at home! Here are some things you can do to support your child's career development.
