Bell Schedule:

Faculty has reached a consensus in support of keeping the current bell schedule. The four bell schedules being provided by the DOE will become available some time in December. In January 2014, the faculty and staff will make a final decision.

Financial Plan

Preliminary AcFin Plan is set to be determined by December 9th. Focuses on personnel, how many will be funded for SY 2014-2015.

Teacher transfer period (time when teachers can transfer to other schools if there is an opening) is in February.

The final, entire Academic/Financial Plan is due in March/April.

Tripod Survey

Data is coming back in December from round one of the survey this SY.

The next round of the survey will be conducted just before spring break in March 2014.

Parent Survey

A survey regarding parent engagement in the school, ap & honors classes and other topics will be created and discussed at upcoming meetings to eventually be sent out for completion.

We still don't have a community member. Are there any new possibilities?

Meeting adjourned.
