

# PROJECT H.O.P.E.

HEALTH OCCUPATIONS PREPARATORY EXPERIENCE

## PAID SUMMER INTERNSHIPS

FOR HIGH SCHOOL STUDENTS INTERESTED IN THE MEDICAL PROFESSION

### HOW IT WORKS

Project HOPE offers paid summer internships for high school students interested in exploring a variety of careers in the health care field. The internships are up to four weeks in length for 20 hours per week pending site availability. Interns are paid \$1,000 for successful completion of the entire internship. Efforts are made to identify health care facilities within easy commute distance from the intern's home.

### ELIGIBILITY

Students complete an online application that is available through the Eastern Washington Area Health Education Center. (See website for official details.)

Students must:

- Be a junior or senior
- Have a minimum Grade Point Average (GPA) of 2.0
- Comply with state workplace requirements
- Undergo a Washington State Patrol background check
- Have or obtain a social security number by the application deadline

### ABOUT PROJECT H.O.P.E.

Health Occupation Preparatory Experience (**H.O.P.E.**) is part of the Eastern Washington Area Health Education Center (**EWAHEC**), which promotes health and wellness for underserved and at-risk population through research, education and community development.

## HOW TO APPLY

Application portal open December 15 to March 15

[ewu.edu/projecthope/apply](http://ewu.edu/projecthope/apply)

The application process is all electronic. Your information will be entered into the website, and all other materials will be submitted via upload. Due to limited positions, the application process is very competitive. Applicants who are first generation college bound, from rural areas, or from populations that are underserved are encouraged to apply
