RETURN COMPLETED FORM TO THE SLC CENTER (RM. 95), THEN CHECK ONLINE MASTER CALENDAR IN 2 DAYS FOR CONFIRMATION.

John H. Francis Polytechnic High School

Master Calendar Request

The purpose of this form is to reserve a room/space on campus for a specific date and time on the Master Calendar.

Poly's website is a good media to engage the Poly community and share information on campus events. As part of the school website, a Google calendar feature has been added to the homepage of the Poly website that will spotlight significant events or activities. The school's master calendar is filled with routine, general purpose activities that are important to the school and used for internal purposes. Not all events are worthy of showcasing to all stakeholders. Teachers and staff may request that the event also be featured on the homepage calendar of the school website using this form.

Fundraising activities should be approved and signed at least four weeks prior to your activity. All fundraisers and activities must follow district student body policies and procedures. You must submit a completed copy (processed through Leadership) of the "Application for a Club Activity Fundraiser" along with your Activity Sheet/Calendar Request.

Non-School Hour Events must have appropriate supervision. Depending on the event, you may need to request the presence of an Administrator, Campus Aides, Chaperones, and/or School Police.

Athletics must have separate approval from the Athletic Director (Mr. Cerna) for tournaments and games.

Field Trips require additional forms to be completed and approved prior to being scheduled on the Master Calendar. See Ms. Marixa Pleitez for field trips.

Restrictions:

- Activities may not be held during the last 2 weeks prior to Final Exams
- Activities may not be held during testing (SBAC, AP, Final Exams, etc.)
- Club & Council Activities should not be held during instructional time
- Food & candy sales are not permitted on campus

Procedures:

1. Complete form and submit to the SLC Center (room 95) for calendar availability. Keep in mind that student activities require advanced approval, **at least 4 weeks**.
2. Please check the Master Calendar online in two days from submission date to ensure the event was approved and posted successfully. If the location and/or time are not available, or you are missing signatures, you will be notified as soon as possible.
3. As the event nears, it is your responsibility to remind appropriate personnel of equipment and set up.
