

## **LOVE YOUR CHILD: In-Home Drug/Alcohol Test Kit Program**

Llano Alliance for Drug Intervention, Inc., (LADI) a non-profit 501(c)(3), is introducing the Love Your Child: In-Home Drug/Alcohol Test Kit Program. In-Home drug/alcohol tests can be a useful parenting tool when they are properly used to identify and deter the signs and symptoms of teen drug/alcohol use and abuse. Parents can use home test kits to give teens a socially acceptable excuse to resist peer pressure and inspect what they expect. The Home Drug & Alcohol Testing Kits are available for \$5.00/ea., in Llano – Corner Drug; in Kingsland – Bowen’s Pharmacy; in Horseshoe Bay – Bay Pharmacy and in Sunrise Beach Village – City Hall. They are easy to use, private, and accurate and take from 3 to 5 minutes for results. Contact LADI in Llano, Texas at 325.247.4477 or [www.l-a-d-i-org](http://www.l-a-d-i-org) for more information.
