February 27, 2018

Dear Parents/Guardians,

In an effort to increase awareness of our current safety and security protocols and to increase students' understanding of these topics, we have planned a week dedicated to the theme of ***See Something, Say Something*** from March 12 through March 16, 2018. Each day of the week, we will have informative videos focused on a safety awareness topic to air through CTV and lunchtime booths will offer resources for our students.

On Monday, March 12<sup>th</sup> at East Campus and throughout the week at West Campus, we will show the *Run, Hide, Fight* video explaining the school protocol for an active shooter situation on our campus. Our school resource officers will be available to guide the students through this process.

We encourage you to take the time to view the video which will be aired and discuss the topic with your child. Our school is joining efforts with our community and law enforcement to make the *See Something Say Something* week informative and educational. You can preview the video at the link below:
