

School Community Liaison

Angie Clouser, Will be working full time in the district with students K-12. A few of the things she will be doing will include:

Assisting families & students with interpreting school and educational program policies, regulations and activities.

Providing one-to-one and/or group mentoring, tutoring, or counseling including offering support and initiating intervention when necessary.

Visiting with students and family members to help identify needed programs and services that they may qualify for, including locating and assisting with the contacts for those services.

Identifying students in need of supportive services and referring students to other personnel and/or agencies to address their needs, and following up on referrals made, to ensure services are provided.

Verifying student absences and contacting families to improve attendance; including having meetings with students and their parents to discuss academic performance, behavior issues, or attendance concerns to prevent students from failing or dropping out.

She can be contacted at either building Monday-Friday and her e-mail address is:

angie.clouser@panorama.k12.ia.us
