November 19, 2015

Dear Parents,

I wanted to make you aware that for four or more consecutive weeks your child has been assigned to Mrs. Harrison, Middle School Science teacher who is certified to teach Grades K-4 but is yet to be certified in grades 6-8. We have confidence in Mrs. Harrison's ability to teach and she has demonstrated that in her tenure at St Anthony.

In addition Mrs. Davenport is also certified as a 4-6 grade teacher but was moved to MS to meet a need in Reading and Language Art. Since she is not certified for grades 7-8, I must make you aware of this in accordance with Title 1 regulations.

Schools receiving Title I funds must hire and maintain a staff of highly qualified teachers. The School District of St Anthony School employs certificated and highly qualified personnel in accordance with Texas Department of Education requirements and supports not highly qualified teachers in their quest to become highly qualified. Please be assured that your child's teacher will take the necessary examination or submit the approved documentation to attain highly qualified status.

Should you have any questions or need further clarification regarding this matter, please feel free to call and ask to speak to David Ray, Principal.

Sincerely,

David Ray  
Principal  
St Anthony
