During the spring of 2017 – 2018 the CELDT will be replaced by the ELPAC – the English Language Proficiency Assessments for California.
#3: Standardized Test Scores

We also evaluate your child’s academic proficiency based on the results from the CAASPP and/or the STAR 360 Reading & STAR 360 Math assessments.

Didn’t receive your CAASPP Report? Email Chris Hertz at chertz@bhusd.org or call him at (310) 551-5100 ext 2335.

Want a copy of your child’s STAR 360 Reading or STAR 360 Reading Math Parent Report? Ask your child’s teacher or contact Cheryne Luesang via email at cluesang@bhusd.org or via phone at (310) 551-5100 ext 2335.

#2 Teacher Evaluation

The teachers will review your student’s grades and discuss his/her ability to use academic and conversational English to complete assignments. They will discuss your performance in the 4 domains.

If there is an area where you need to improve, ask your ELC teacher and your regular teacher for help.

#4: Parent Opinion

We partner with you to provide the best education for your child. Parent input and participation is important. We encourage you to ask about the implications and the consequences of reclassification. We want you to know and understand the steps you can take to ensure that your child has the skills needed to be academically successful.

At the time when we agree that your child should be reclassified as fluent English proficient, we certify that your child’s English has developed enough for him/her to participate in the classes with minimal support. After your child is reclassified as fluent English Proficient, we will monitor academic progress for a minimum of 2 years.
