

# Golden Hill Elementary School of the Arts Supply Lists by Grade Level 2018-2019

**Golden Hill supplies what is used in the classroom and needed by every student**, but we know some of you like to shop on your own for school supplies during the summer, as this is a fun experience that students enjoy. If you do decide to go back-to-school shopping, here is a suggested list of supplies that specific grade levels will use, that way you don't shop for items your child may not use. Certain supplies may need to be replenished throughout the year.

As a reminder, teachers always appreciate donations of supplies. If you prefer, a donation to the Golden Hill Education Foundation via [www.teamgoldenhill.org](http://www.teamgoldenhill.org) is also appreciated and directly benefits *all* students at GH.
