Re: Worker's Compensation

At the February 6, 2006 meeting, the Yadkin County Board of Education approved an agreement to work with Yadkin Medical Associates to provide services for non-emergency injuries in the area of worker's compensation claims for school employees. THIS PROCEDURE DOES NOT CHANGE THE PROCEDURE FOR DEALING WITH EMERGENCIES.

When an accident involving non-emergency injuries occurs, employees should call Yadkin Medical Associates for an appointment for consultation and treatment. This agreement covers non-emergency injuries that arise out of and in the course of employment.

The address and phone number for Yadkin Medical Associates is provided below.

Yadkin Medical Associates
305 E Lee Ave.
Yadkinville, NC 27055
336-679-2661

Please remember that all injuries should be reported to your supervisor immediately. Schools are also reminded that Form 19 should be completed and returned to me within two (2) working days of the occurrence.

Thank you for your assistance.
