

## Skyward Family Access

Skyward Family Access is the complete student database for Riverside Beaver County School District. Skyward allows Riverside students and their families to access grades, change contact information, access calendars, teacher notes and attendance records.

### **How do I obtain access to Skyward?**

All students enrolled in Riverside Beaver County School District have a personal student account which tracks their attendance, grades, and lunch account activity. All parents and legal guardians of RBCSD students are also granted access to that information through the Skyward Family Access program.

If your student is currently enrolled in Riverside Beaver County School District and you do not already have access to Skyward, please contact Mrs. Elaine Murrer at [emurrer@riverside.k12.pa.us](mailto:emurrer@riverside.k12.pa.us) or 724.758.7512 ext 3000.

Once your student has been enrolled, you will be given a user name and password to Skyward Family Access so that you can monitor their progress.

\*Please note: if you are enrolling a student for the current school year, you will be granted immediate rights to Skyward Family Access upon the completion of your application. If you are enrolling a student for the upcoming school year, you will have access to the system at the beginning of next school year.
