

*J.M. Tawes Technology and Career Center*  
*SkillsUSA Chapter*

Dear: \_\_\_\_\_,

J.M. Tawes SkillsUSA members are asking for your support of our chapter and students. Our members dedicate many hours beyond their classroom time in developing leadership and technical skills needed for a future career. Hard work has consistently paid off as members have represented J.M. Tawes Technology and Career Center at regional, state and national conferences and competitions.

The expenses for operating an excellent SkillsUSA chapter are considerable. In November 2017, several students will attend the Fall Leadership SkillUSA conference in Ocean City. In January we will be holding our own local SkillsUSA contest at J.M Tawes to see who we can send to the regional contest that is held in February. The winners at the regionals will proceed to an overnight trip to Baltimore in April with hopes of winning a Gold medal which entitles them to head to the SkillsUSA National Competition in June. As you can see the expense of these endeavors rests solely on our school, so students and staff must work diligently to generate the much needed funds to support our students.

The students and I would very much appreciate your help in sponsoring J.M. Tawes students as they participate in SkillsUSA events this year at the Local, Regional, State and National levels.

All paid sponsors will receive a thank-you note and receipt immediately as well as an invitation to attend the Local, Regional, State and National competitions. All sponsor names and addresses are held in strict confidence. Remember, your contribution may be tax deductible as provided by law.

Sincerely,

Mr. Floyd "Butch" Azbell, M.Ed
