

# TROY HIGH

## Athletic Boosters

The ***Troy High Athletic Boosters*** is a volunteer organization made up of parents and friends of THS student athletes who have an interest in supporting and improving the THS athletic department.

Our goals are simple: Have fun, support our kids, improve the student athlete experience, promote school spirit, and raise money through a variety of fundraising activities.

During the 2016-2017 school year, the Troy High Athletic Boosters granted more than \$ 20,000 of financial support for our student athletes.
