Dear Parents/Guardians:

You will **not** be able to apply to our school through the New York City Department of Education online service for Pre-Kindergarten. However, Pre-K applications **for our school only** will be available as of **Monday, January 25, 2016**. If you have a child who was born in 2012, and you desire that he or she attend BBL, you will need to complete an application.

Applications for Pre-K will be accepted through the following options only:

- Pick up and complete a Pre-K application at the main office.
- Call 718 655 6660 and request that an application be sent to you to complete and return.
- Download the Pre-K application from our website: www.bronxbetterlearning.org. Complete the application and bring or mail it to the school office.

There are 18 spaces available in our Pre-K class. We are also reaching out to our BBL parents as preference will be given to current siblings. As you complete your application, be sure to indicate that your child is already attending our school.

The application options will be available **beginning January 25, 2016 and continue through March 4 only**. A lottery will be held on **Thursday, April 14, 2016 at 4:00 p.m.** to determine which children will fill the 18 seats.

Sincerely,

Shubert Jacobs
