Review of past St. Leo School board meeting:

Mrs. Brown reviewed the discussion of the last school board meeting where the matter of athletics and how it functions at St. Leo was discussed.

Discussion ensued around the table regarding the meeting. Mrs. Brown discussed her concerns regarding parent concerns about Athletics.

As a result of this school board meeting Mrs. Brown and Father Cook determined that the members of the Athletic board should be asked to read a book titled Mindset, by Carol Dweck. This book is already being read by the faculty at St. Leo.

Mrs. Brown would like to demonstrate to all parents at St. Leo how our present Athletic program supports our children and their development and how this program is aligned with our catholic school goals and St. Leo's mission.

Discussion ensued.

Ms. Penn discussed her impressions of the school board meeting.

Mrs. Brown provided guidelines for the reading of Mindset.

Meeting adjourned at 2:35 pm
