

## **AHERA NOTIFICATION**

This notice is to inform you that Crossroads Charter Academy has contracted for an asbestos inspections and management plan as required by the Asbestos Hazard Emergency Response Act (AHERA). The management plan has been completed and approved by the Asbestos Program of the MI Department of Public Health. The plan is available for your review in the CCA Central Office. The management plan contains information regarding the locations of asbestos containing materials (ACM) in all school buildings, the condition of the ACM and a plan for dealing with the ACM.

Our re-inspection was held on April 21, 2008 and our next re-inspection is scheduled for April, 2011. Periodic surveillance is required every six months. CCA's designated person performs this inspection. The next inspection is scheduled for August 12, 2009. Questions/concerns regarding this process should be directed to Kevin Fesler, CCA Designated Person. He can be reached by leaving a message at CCA's Central Office.
