Mastery of Math Facts

Second Marking Period 2017-2018

To become a **MATH FACT MASTER**, each student must be able to meet all the requirements for his or her grade level. If the student learns/memorizes ALL the math facts and can pass the timed test, he or she becomes a **MATH FACT MASTER**. On the way to becoming a **MASTER**, each student must pass each successive math fact challenge. The students listed below have acquired **MATH FACT MASTER** status.
