

March 1, 2018 Special Board Meeting Board Action

On motion by Member Hawkins and second by Member Mackey, the Board of Trustees approved new Elementary and Intermediate School Boundaries, as shown in the March 1, 2018 presentation handout, with a modification that the Anderson/Baldwin dual area remain in place. The permanent location for the Two-Way Bilingual Immersion (TWBI) program is Del Roble Elementary School, effective the 2018-19 school year.

Boundaries, Intra-District, Grandfathering, etc.

Boundaries

1. All new elementary students enrolled for the 2018-19 school year will be assigned to their school based on the new boundaries.
2. All current sixth grade students will have the option of attending the Intermediate School based on the current intermediate school boundaries or attend their new Intermediate school if they are impacted by a boundary change (Including siblings so long as an older brother/sister is concurrently enrolled at the intermediate school).
3. All future intermediate students beginning in school year 2019-20 will attend their assigned intermediate school based on the new boundaries.

Intra-District Transfer

1. The District will continue to follow its Board Policy on Intra-District Transfer requests, which also take precedence over Inter-District (outside districts) transfer requests.
2. Requests may be submitted for consideration starting March 12 through April 12th
3. Any student attending a school via the Intra-District Transfer process will maintain this placement through sixth grade
4. Any student on an Intra-District Transfer request of a school that is closed will be assigned back to their new home school based on their new school boundary for the family's residence.
5. Once an Intra-District Transfer is approved, it is good for the duration of a student's elementary years. A new request must be made to attend an intermediate school other than the one assigned by their school boundary.
6. Notification of approval will be communicated within the first two weeks of school in order to ensure capacity is available at requested schools and resident students have been confirmed.

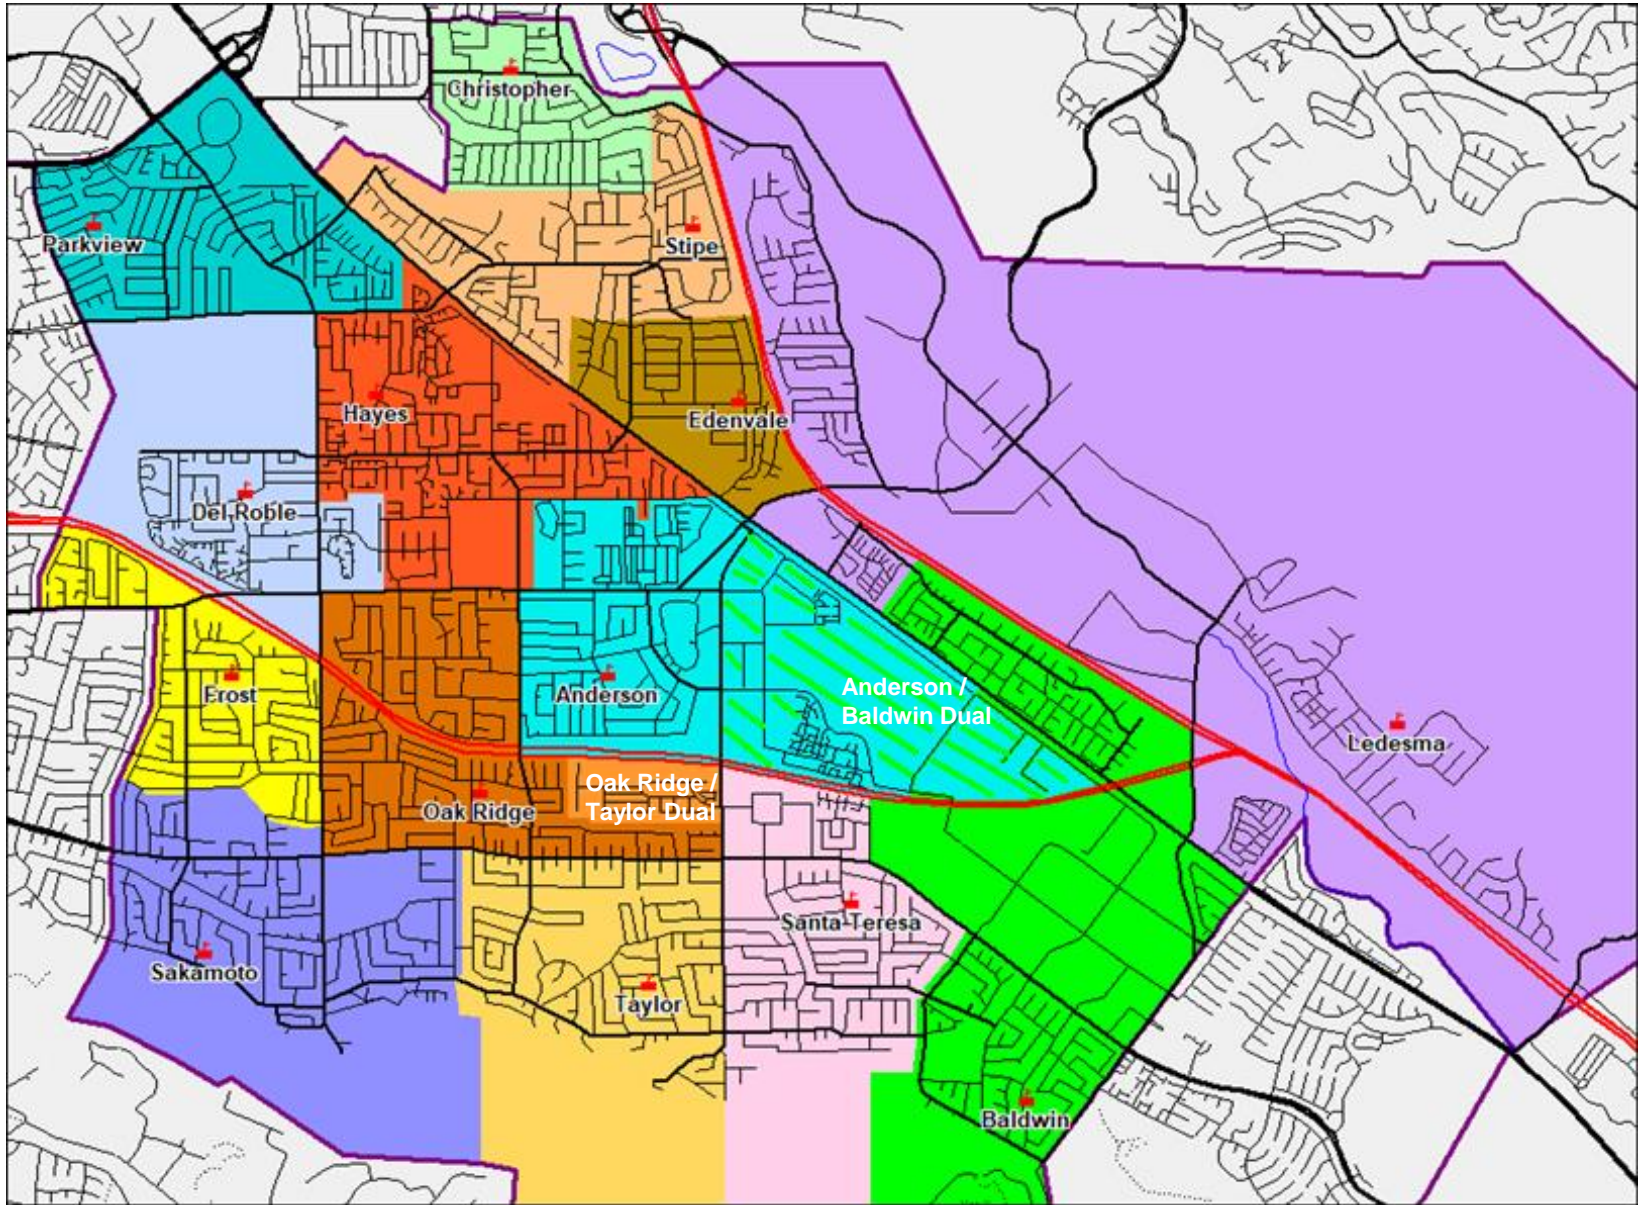

Grandfathering

1. Students (and siblings) impacted by a change in boundary creating a placement to a different school will be grandfathered and will be allowed to finish through 6th grade or 8th grade at the school they currently attend.
2. Younger siblings are grandfathered so long as there is an older student attending concurrently at the school.
3. Older siblings are grandfathered to Del Roble so long as there is a younger student attending TWBI.

Miscellaneous

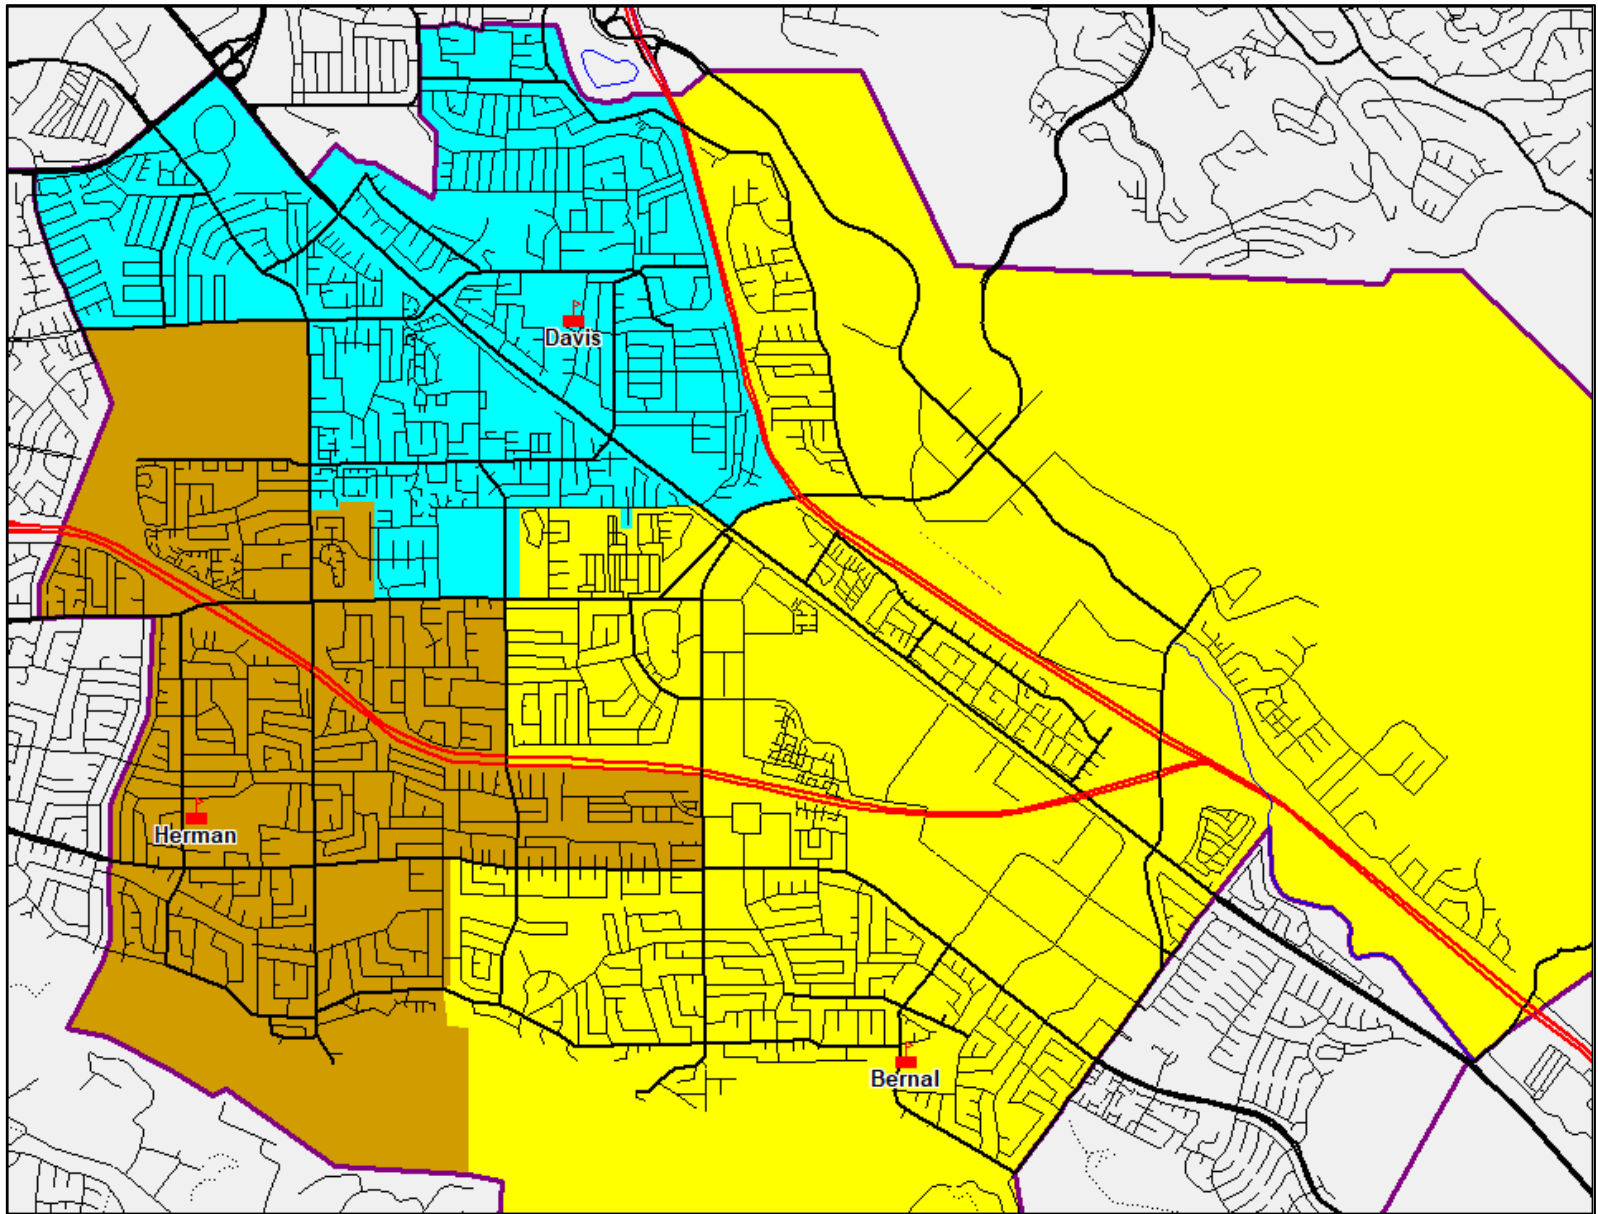

1. **Transportation** (fee-based) will only be considered for new Ledesma boundary areas (Coyote Creek, Ford Rd. area, and Monterey Oaks) and for the new Baldwin boundary area (Silver Leaf). More information about this option will be available soon and communicated to these areas.
2. **School Locator** (<http://www.schfinder.com/ogsd/>) the system update is anticipated by March 7 for home school identification.
3. **Open Enrollment / Registration** begins March 8.
4. **Two Way Bilingual Immersion** (TWBI) moves to Del Roble Elementary effective 2018-19.
