NOTE: General Statute does not mandate that this letter, or any other communication on this data collection, be mailed through the U.S. Postal Service. Distribution through student folders or other internal communications means is sufficient.

Dear Parent or Guardian,

In an effort to ensure that the unique needs of military-connected students are met, the law now requires all school systems to collect information on military-connected students. The goal is to help accommodate these students by providing them with support and consistency when their parents are deployed, when they are transitioning between schools, and at other pivotal times during their academic career.

Is an immediate family member of your child connected to the U.S. Military, including Active Duty, National Guard and Reserves, Retired Military, Disabled Veteran or Civil Service Employee?

“Immediate family member” is defined as a parent, step-parent, sibling, guardian or any other person that would normally live in the same household as the child.
