

# JumpSTART!

## to Middle School 2018

*JumpStart! to Middle School* is a three- day summer program designed to give incoming 6<sup>th</sup> grade students a *jump* into the world of middle school prior to their sixth grade year.

**Robinson Middle School** students will be given the opportunity to explore the uncertainties...the *Middle School Mysteries*... that raise questions and sometimes anxiety about their transition to middle school. They will tour their school, learn how to open combination locks, meet new friends and a few teachers, get a head start on middle school procedures, play team building games, and more!

Light snacks will be provided each day.
