

**CIVIL ENGINEER'S AS-BUILT DRAWING
CERTIFICATION OF SATISFACTORY COMPLETION**

I. PROJECT INFORMATION:

Project Name: _____ Permit No.: _____
Permittee: _____
Address: _____
City: _____ State/Zip: _____ Telephone: _____

II. CERTIFICATION:

I hereby certify to the Town of Greeneville, Tennessee that the above referenced project has been fully and satisfactorily completed in accordance with the APPROVED PLAN and specifications, and the provisions of the applicable land development regulations of the Town of Greeneville. Any deviations from the approved plan are clearly noted on the As-Built. I am providing written acceptance of the site as constructed in accordance with the APPROVED PLAN.

I am forwarding herewith one (1) electronic copy of the AS-BUILT in PDF format and two (2) printed copies of the AS-BUILT, which show the improvements as constructed including dimensions and elevations. The AS-BUILT is certified as correctly indicating **actual conditions of construction**.
