

Hi, BlackHawks.

What a great first week of school! Thank you all for your support. Let's stay dedicated to excellence and do our best every day!

I hope you will all be able to take a few minutes to review Train Ugly website. This is a great resource to help us all incorporate Growth

Holiday! - No School Monday! - Enjoy your day!

Picture Day! Pictures for all students, faculty, and staff this week! 9th, 10th, and 11th graders will be given an order form in first period on Tuesday. You can also find a copy of the form on the school website, on our school Facebook page, and attached to this email.

Seniors will pay a \$10 sitting fee on Thursday and will receive a proof sheet to order pictures from.

#### Public Library Partnership!

Wilkes County Schools and the Wilkes County Public Library are partnering to support students' ongoing education with an initiative called NC Cardinal Student Access. This program will create a library card and access for all students. This access will allow them to borrow and digitally access materials from their local library collection including hard copies of books, e-books, access to research data bases and other online materials. The library will be using the School System's student ID number to create the access. Parents may opt-out of the program by signing the opt-out letter available on our website or by writing a letter and turning it into the child's teacher by September 11. All students should have access by mid-October. Parents may opt out at any time during the year if they choose to. We thank the Appalachian Regional Library for providing our students with this great opportunity.

#### Home Athletic Events!

Thursday, September 7th - Volleyball versus Alleghany

Hope you all have a great week.
