

# Save the Date...

## Math/Science Camp

Our combination Math/Science camp is open to rising K5 through rising sixth graders who want to spend a week exploring the wonderful world of math and science. Each day will involve discovery, experimentation, and lots of fun! **This week is a special week of all of the oldies, but goodies; including math Olympics, volcanoes, the egg drop, and geysers galore!** The total cost for the week is \$150 which pays for a t-shirt, snack, and all materials and supplies. A deposit of \$50 is due by April 13, 2018. Should there not be enough interest, we will refund your deposit.

Sponsored by Mrs. Short and Mrs. Moseley
