

# Pleasanton Unified School District

**2016-17 School Year**

Dear Parent/Guardian:

If your child is hurt or injured during school activities, **you are responsible** for your child's medical bills. Student accident/health insurance plans are offered to help pay those bills.

Many coverage options are available. The Student Health and High Option 24-Hour Accident plans are especially recommended for those students with little or no other insurance because they provide the most help when injuries occur. Student Health Care covers illness as well as injury, 24 hours a day. Although **these plans are not designed to pay all the bills from an accident or illness**, they do provide strong benefits at a low cost.

If your child does have other health coverage, student insurance may also be used to help pay those charges not covered by other insurance.

The brochure is available electronically at [www.studentinsurance-kk.com](http://www.studentinsurance-kk.com) or a hard copy is available in the school office. Please review the brochure carefully. If you have any questions or need help with your application, please call the plan agent, Cheryl Norris, K&K Insurance Group, Inc., at (855) 742-3135, ext. 5885. Bilingual representatives are available for parents who need assistance in Spanish at (800) 237-2917.

Worried about paying for your child's medical care if an accident should happen? K&K's student accident insurance can help. If you don't have health care coverage, student accident insurance is vital. If you are covered by a health care plan, student accident insurance can fill the gap by paying deductibles and copays that may cause financial harm to your family.

¿Le preocupa tener que pagar la atención médica de su hijo si ocurre un accidente? El seguro contra accidentes para estudiantes de K&K puede ayudarlo. Si no tiene cobertura de seguro de salud, un seguro contra accidentes para estudiantes es fundamental. Si cuenta con la cobertura de un plan de atención de la salud, un seguro contra accidentes para estudiantes puede cubrir la brecha y pagar los deducibles y los copagos que podrían generar un perjuicio económico para su familia.
