

## CATHOLIC SCHOOLS WINTER FUNDRAISER

February 19th - April 30th, 2018

For Every new subscription – a financial donation will be made to your school

In an effort to support the critical mission of our schools to educate and form young Catholics - The Orange County Catholic newspaper is launching a winter fundraising program, February 19-April 30th. This program will enable individual students or classes to raise needed funds for their Catholic school and enable highly engaged schools to generate significant in-kind advertising support on Catholic radio, in the OC Catholic newspaper, and on the OC Catholic website and mobile application network. The monies generated will support the educational ministry of your school and we will be awarding incredible prizes for the leading class at each school and the leading students across the Diocese.

### DETAILS:

- For every one year subscription \$5.00 will be contributed to your school.
- For every two subscriptions generated by student, they will receive 1 hour of service time credit
- A one year subscription only costs \$1.00 for the year (52 weeks/Sunday only) of the bundle of The Orange County Register and OC Catholic.
