1. Two Dimensions is exemplary in parent and community involvement because we offer events throughout the year which include parents, community and volunteers. We also offer Parent Consultation Meetings which consist of volunteers such as parents, guardians, other campus staff members, administrators and members of the community to update the District Parental Involvement Policy.

II. EDUCATIONAL PROGRAM FOR GIFTED AND TALENTED STUDENTS

1. Two Dimensions G/T students are clustered in the general education classrooms with other students that are able to handle the rigor of G/T instruction. They receive differentiated G/T instruction in the four foundation areas (Language Arts/Reading, Math, Science and Social Studies) from a teacher who is G/T certified. Flexible grouping patterns and independent investigations are employed in the four foundation academic areas.

III. WELLNESS AND PHYSICAL

a. Recognized

- i. Two Dimensions strongly supports a monitored health and physical education program for all students as part of a balanced educational experience and values the input from parents and community representatives in its efforts to improve student achievement and safety. The district ensures that local community values and health issues are reflected in the district's health education instruction.
