

The Second Grade Achievement Report

When we learn together, we build up together!

March 2017

Congratulations to all the award recipients for the month of February! During the flag ceremony on February 16th, students were recognized in the following academic categories: Student of the Month, PYP Learner Profile, Alpha Wolf, and electives. Way to go second-graders!

Learner Profile of the Month

The learner profile for the month of February was **open-minded**. I understand my own culture and personal history as well as the values and traditions of others. I am open to examining many points of view and I am eager to grow from what I learn.

Transdisciplinary Theme: Sharing the Planet

An inquiry into rights and responsibilities in the struggle to share finite resources with other people and with other living things; communities and the relationships within and between them; access to equal opportunities; peace and conflict resolution.

Central Idea

Communities rely on each other to share resources
