

Regulation

PRIVATELY OWNED VEHICLES

Volunteer Driver Pool

- A. By September 30 of each school year, the business administrator will send home to parents/guardians a form on which to indicate willingness to provide school-related transportation. The form should be accompanied by a brief explanation of the pattern of liability under New Jersey's No Fault Law.

The form shall include spaces for:

1. Name, address, phone number and willingness to drive;
2. Driver's license number and statement that the driver has received no moving violations;
3. Make, model, year and mileage of car to be used;
4. Insurance coverage and name of carrier;

Forms are to be returned to the homeroom teacher and forwarded to the business administrator or his or designee to be sorted and collated.

Approval of Activities; Supervision of Students at Activities

- A. The board shall approve all interscholastic competitions, field trips, and special away-from-school activities, either as a listing or item by item as they occur. Provisions of this section will depend on the district's policy;
- B. At the time of approval, a determination should be made as to whether volunteer transportation will be used;
- C. All volunteers must be from the business administrator's master list.
- D. Supervision of students at activity:
1. When the students will become part of a larger group on arrival at their destination, the driver will deliver them to the faculty member or other chaperone in charge, who will be responsible for the students at the activity. If the driver is one of the faculty members or chaperones, he/she will assume those duties on joining the group;
 2. When the driver is the sole adult, he/she shall remain with the group for the entire period.

Students shall be informed that the driver has the same authority over them as a member of the teaching staff, and that appropriate penalties will be imposed for infractions of the district's code of conduct or student discipline policy.

Selection of Volunteer Drivers and Assignment of Students

When the staff member in charge of the trip has confirmed the date of the event and the number of students, he/she will attempt to secure drivers from the volunteer driver pool to accommodate them.

In assigning students to volunteer drivers, the staff member in charge of the trip will take into account:

PRIVATELY OWNED VEHICLES (regulation continued)

- A. Grade level and number of students if driver has expressed limitations;
- B. Location of student residences in relation to driver if students are to be delivered home.

Safety in Pickup, Transit and Drop-off

When the staff member in charge of the trip has assigned the students to their drivers, he/she shall prepare a sheet for each driver listing the students, the pickup time and place, the activity time and place, directions to the activity, arrangements for drop-off, arrangements for supervision of the students at the activity, arrangements for picking up the students after the activity, instructions as to time and place of final drop-off, and a copy of the district's policy/regulations on student bus conduct. The sheet shall include emergency telephone numbers at which the driver can reach an administrator of the school, and, if possible, other persons at the activity, should it become necessary.

- A. Pickup place will in most instances be the school. It will be the responsibility of the students' parents/guardians to deliver the students to the assigned pickup place at the proper time. Parents/guardians are responsible for supervision of their children until the driver arrives, unless the children are being loaded during school hours, in which case appropriate faculty will be responsible until the vehicle departs. When children are being transported in more than one private vehicle or a combination of district and private vehicles, the faculty member in charge of the expedition is responsible for accounting for all the children. No child shall enter a vehicle on the traffic side;
- B. In transit, the driver shall keep the doors locked and the windows at a safe level. All students shall use seat belts. General rules of student conduct will be those of the district's regular policy on bus conduct.

On arrival at the activity, the driver will drop off the students according to directions. In no event shall a student exit from a vehicle on the traffic side.

On leaving the activity, the driver shall be sure he/she has all of the same children he/she started with. At activities where faculty and chaperones are in charge of a large group, the faculty member in charge shall be responsible for ensuring that all students are accounted for at time of departure.

- C. Final drop-off place shall usually be the school. Parents/guardians will have been informed of the time of the drop-off, and will be responsible for providing transportation home for their own child. In the event that students are to be delivered to their door, the driver should wait until the student has entered the outer door before driving off.

Reimbursement

All tolls for highways, bridges, tunnels, etc., will be reimbursable on presentation of a receipt. Parking charges are reimbursable on presentation of either the lot ticket or a voucher, if a meter was used. The district may reimburse for mileage on volunteer trips when it is within the budget for the activity.

Entrance fees for activities may be reimbursed when it is within the budget for the activity.
