

Goal 1: All students in Kelloggsville Public Schools will be proficient in the area of Social Studies.

Measurable Objective 1:

A 18% increase of All Students will demonstrate a proficiency in their social studies skills in Social Studies by 06/17/2016 as measured by State of Michigan standardized assessments. .

Strategy 1:

Differentiated Instruction - Differentiated Instruction - Differentiated instruction is based upon the belief that students learn best when they make connections between the curriculum and their diverse interests and experiences, and that the greatest learning occurs when students are pushed slightly beyond the point where they can work without assistance. This point differs for students who are working below grade level and for those who are gifted in a given area.

Differentiated Instruction will be monitored by principal walk throughs. ongoing formative assessments and materials will be utilized by all staff to enhance the reading curriculum and small group instruction, to extend the curriculum using Tier 1 and Tier 2 strategies.

Teachers will meet with identified students for enhanced instruction and guidance. Multi tiered support system will be implemented throughout the year during the school day to meet the various needs of students.

Parent Night

Parent academic nights will be planned throughout the year to highlight the academic standards being taught in Kelloggsville classrooms there will also be meetings to educate the parents on the interventions given to students through Title I.
