

APPLICATION DATA FORM

South Texas Educational Technologies (STET), as an Affirmative Action/Equal Opportunity employer, is required to compile statistics on the pool of applicants who apply for jobs. Your cooperation is requested in completing the information below. There will, however, be no adverse treatment if you have personal objections in supplying the information. The information will be used to monitor STET's progress with its Affirmative Action Programs and **this form will be separated from the Employment Application before the application is used in the employment process.**
