

Program of Studies – Graduation Plan

All students who graduate from Lexington Catholic High School will complete the pre-college curriculum defined by the state of Kentucky. Listed below are the courses necessary for graduation. A student may enter the progression at any level. Courses are offered at the College Prep, Honors, or Advanced Placement levels for many courses. The Exemplar Scholars programs have specific additional requirements that must also be met in order to earn the diploma designation for their specific programs. Below is the program of Studies for all students at Lexington Catholic High School
