***Vivian Ekchian***  
*Local District Northwest  
Instructional Superintendent*

***Dr. Darneika Watson***  
*Local District Northwest  
Operations Administrator*

***Kelly Hanock***  
*Principal*

To All Students and Parents:

In an effort to maintain our clean campus and to assist our currently under-manned custodial staff as well as to ensure the health and welfare of our students, the Valley Academy of Arts & Sciences does not allow students to bring any food other than lunches on to the VAAS campus. Baked goods and other snack foods, including but not limited to cupcakes, cookies, cakes, brownies, doughnuts, candy and bagels, brought on the VAAS campus will be confiscated and held in the main office until the close of the school day. Also, as a reminder, fast-food items and delivered foods like pizza are not allowed on campus. Any fast-food items or pizzas delivered to VAAS will also be held in the main office until the close of the school day.

Thank you for your assistance in keeping our campus clean and safe. If you have any questions involving this policy, please contact Principal Kelly Hanock.

Thank you.
