

## **Vallivue School District**

The board recognizes that patrons should have easy access to information regarding how the district is spending its revenues and providing the information electronically allows such access. Therefore, the district has developed and maintains a publicly available website where the district's expenditures are posted in a nonsearchable PDF format, a searchable PDF format, a spreadsheet, or in a database format. The information is provided in an open structured data format that may be downloaded by the user.
