

Would you like to join MINI-MAC??

5th and 6th Grade students ONLY

WHAT is it? What will we be learning?

Work with the Moanalua High School students to participate in:

- Camera usage, setup and operation.
- Video Taping
- Acting
- Storyboarding and planning (pre-production)
- Basic Video Editing program (Adobe Premiere)

Students in the Mini-Mac program should be able to:

- be responsible with their school work as that takes priority over mini-mac projects
- work with other elementary students and also with the high school students volunteering their time to teach us new skills
- have a positive attitude and be respectful to others AND with the technology equipment used

WHEN is it?

Students must be able to attend the Monday MiniMac sessions on the following dates from 2:15-3:15 pm.

September 14, 28,

October 19,

November 2, 16, 30,

December 14

See Ms. Rothrock in the Computer Lab for an application.

Applications are due THURSDAY, September 3rd
