

Chamlian Students Give Back

Community Latest November 23, 2015

Chamlian students gathered a large variety of food items to serve those in need as part of its annual Thanksgiving Food Drive

GLENDAL—Chamlian Armenian School's Booster Club sponsored its annual Thanksgiving Food Drive from November 9 to November 13.

The food drive that has been a tradition at Chamlian was planned and organized by the Booster Club executive members. Each grade level was assigned a food category such as cereal, canned soup, corn, fruit, beans, tuna, pasta, pasta sauce and peanut butter to ensure variety.

The donated items were picked up by the Salvation Army and the Armenian Relief Society, and will be distributed among families in need within our community.

The Booster Club members wish to extend their heartfelt appreciation to the entire Chamlian community for their support and generosity.
