

CERTIFICATIONS

Microsoft Office Specialist

The Microsoft Office Specialist Certification (MOS) allows individuals to demonstrate their skills in the Microsoft Office suite. The certification equips learners to make the most out of the computer programs in a professional and personal setting.

professional and personal setting.

Certification in Customer Service

The NRF Certification in Customer Service helps individuals demonstrate knowledge and skills in areas that employers value, such as product and service knowledge, assessing and meeting customer needs, educating customers, and providing ongoing customer support.

Test Assessing Secondary Completion

As of 2014, TASC has replaced the GED as New York State's high school equivalency exam as a measure for assessing competency in Reading, Writing, Mathematics, Science, and Social Studies as required by the revised Common Core State Standards.

The mission of Opportunities for a Better Tomorrow is to help disadvantaged youth and adults recognize their own self-worth and advance towards self-sufficiency and financial security through job training, academic reinforcement, improved life skills, job placement, and supportive services.
