Mission Statement

At Live Oak Elementary we believe that students succeed in an atmosphere where children are engaged, take responsibility for their learning, and respect themselves and others, therefore, a safe learning environment, high standards, and leadership goals are of greatest priority. As a professional learning community, we believe in the worth of every student, and as a result, strive to enable each child to become a self-confident, skilled, and successful citizen, ready to embrace college and career goals. It is our collective mission and expectation that the *7 Habits of Highly Effective People* and the philosophies of the *Leader in Me*, will be developed, modeled, and fully integrated in everything we do at L.O.E. as we move toward achieving Lighthouse status from the Covey organization.
