

The following list of rules for Pamlico County Schools is provided as guidance for students, parents, teachers and administrators. This cannot be an all-inclusive list; however, administrators shall use their discretion in dealing with all specific behavior that violates the principles set forth in this policy. Consideration is to be given to the student's cognitive and developmental ability to appreciate the significance of his/her behavior and to assume responsibility for behavior.

Circumstances and degrees of involvement could mitigate an otherwise serious offense or make an otherwise minor offense more serious. The disciplinary measures specified in this Code shall be considered guidelines applicable to most cases. Particular facts and circumstances may justify a sanction that is more or less severe than the specified disciplinary measure, except as otherwise required by law. **A student who violates more than one section of this Code may be subject to more severe disciplinary action than is specified for any single violation. (It is expected that any subsequent infraction will build upon disciplinary actions of previous infractions.)**

Each school staff will establish the need for acceptable social conduct. Each school staff will cooperatively develop a good school climate and positively directed rules and regulations, including a continuum of disciplinary consequences.

- Schools will operate under existing federal, state, local and Board regulations.
- Discipline is the responsibility of all personnel.
- Principals will assign all authority roles.
- Teachers and principals will develop procedures for communications concerning disciplinary action taken.

When a school official learns or reasonably believes that any student has violated any Board or school policy, rule or regulation that may also be a criminal violation of the laws of the United States or the State of North Carolina, he shall determine whether it is necessary or appropriate to report such violation to the proper law enforcement agency. In such cases, school officials shall cooperate fully with the law enforcement agency; however, internal disciplinary proceedings shall proceed independently from the criminal investigation and prosecution.

As required by G.S. § 115C-288(g), the principal shall immediately report to the appropriate local law enforcement agency when the principal has personal knowledge, a reasonable belief, or actual notice from school personnel that any of

the following acts has occurred on school property:

1. Assault resulting in serious personal injury (defined in G.S. §14-32.4);
2. Assault involving the use of a weapon (defined in G.S. §14-32 through 14-34.9);
3. Sexual assault (defined in G.S. §14-27.5A and 14-33(c)(2));
4. Sexual offense (defined in G.S. §14-27.4 through 14-27.5 and 14-27.7A);
5. Rape (defined in G.S. §14-27.2 through 14-27.3 and 14-27.7A);
6. Kidnapping (defined in G.S. §14-39);
7. Indecent liberties with a minor (defined in G.S. §14-202.1, 14-202.2 and 14-202.4);
8. Possession of a firearm in violation of the law (defined in G.S. §14-269.2);
9. Possession of a weapon in violation of the law (defined in G.S. §14-269.2);
10. Possession of a controlled substance in violation of the law (defined in the North Carolina Controlled Substances Act in Article 5 of G.S. §90-86 through 90-113.8);

Willful failure to make the required reports of the above acts may subject the principal to dismissal or demotion. **In addition to those that are specifically spelled out in North Carolina General Statutes all larcenies, extortion as well as extortion attempts, robbery (armed or common law), hate crimes, stalking, possession of any explosive or incendiary device or arson/attempted arson should be immediately reported to law enforcement officials. The superintendent's office shall be notified.**

This policy pertains to all students in the Pamlico County Schools while they are on the campus of any school in the Pamlico County School System, while they are participating in any activity sponsored by the Pamlico County Schools, while they are being transported in a vehicle owned or operated by the Pamlico County Schools, while they are awaiting pick-up at a bus stop, while going to or from a bus stop, in route to and from school or a school-sponsored activity, while they are representing Pamlico County Schools in any way, or while students are off campus if the student's conduct has or is reasonably expected to have a direct and immediate impact on the orderly and efficient operation of the school, or the safety of individuals in the school environment. In circumstances where student behavior indicates that the student's continued presence in the school constitutes a clear threat to the safety of employees or other students, a student may be suspended or expelled regardless of where the acts and conduct occur.

Students have the responsibility to comply with the rules of their individual school and the school system to pursue the prescribed courses of study and to submit to the lawful authority of teachers or school officials and the law. **Students will also be subject to random searches for weapons or contraband in accordance with state and federal law.**

In any case where out-of-school suspension is utilized, a parental conference with

the principal and/or teacher(s) is required before re-entry into school. (If the parent/guardian cannot or will not come to school for a conference, the student may come back to school at the discretion of the principal.) Parents are to be notified concerning any rule violation and should be informed of all out-of-school suspensions by phone if at all possible. If parents are not available by phone, a letter should be mailed in a timely manner. All rule infractions will be retained in the Pamlico County NCWISE Database.
