Revised 7/25/17

I. GOAL

The primary goal of Rock Springs Middle School is to create an environment conducive to student success and have our students leave the eighth grade ready for high school. An important part in attaining this goal is the student's willingness to cooperate and accept responsibility for his/her actions.

This handbook is to inform you of the policies and guidelines of our school. It contains explanations of the expectations that we have for our students in areas such as attendance, academics, conduct, and other aspects of school life. Both student and parent should read this handbook and the Rutherford County School System Code of Behavior and Discipline brochure to become familiar with the rules that apply to students at Rock Springs Middle School.

School Objectives

1. To provide an atmosphere conducive to learning
2. To aid in the transition from elementary school to high school
3. To develop moral and leadership qualities that will enable each student to become a good citizen
4. To continue to develop and strengthen the fundamentals of student learning and communication
5. To foster understanding and cooperation among parents, faculty, and students
6. To guide each student in the development of good study habits
7. To provide the necessary opportunities that will sharpen student skills in reasoning, decision making, and problem solving.

II. OPERATIONS

Agendas

In order to help students develop organizational skills, encourage parent-teacher communication, and help students keep track of teachers' assignments, attendance, and other important documentation, the school has issued, free of charge, this agenda. The agenda is **required** and must be kept in each student's possession throughout the school day. Those who do not have their agenda must **replace the agenda at a cost of \$10.00**.

Attendance Policy

Attendance is a key factor in student achievement, therefore, students are expected to be present each day school is in session. Absences will be classified as either excused or unexcused as determined by the principal or his/her designee. Absences will be excused for the following reasons:

Revised 7/25/17

1. Personal Illness
2. Illness of immediate family member
3. Death in the family
4. Dental or medical appointments. It is recommended that these appointments be scheduled after school. The school may require verification of a doctor's visit
5. Required court appearances, verification may be required
6. Extreme weather conditions
7. Religious observances
8. Extenuating circumstances, with appropriate documentation, which in the judgment of the principal constitutes a good and sufficient cause of absence from school

A doctor's statement may be required after three days of personal illness. If a student has accumulated ten absences, whether excused or unexcused, a doctor's note specifying inclusive dates for the illness must be submitted in order for any subsequent (the eleventh and all thereafter) absences to be excused. Truancy is defined as an absence for an entire school day or major portion of the school day.

Revised 7/25/17

officials reserve the right to require proof of custody before releasing a student. **For your child's security, early student checkout should be done before 2:30 pm.**

Return to School

A student returning to school after an absence must have his agenda stamped by the office. Agendas will be stamped by the office during homeroom. The student must have a note from his parent with the following information:

1. Student's name
2. Date of absence
3. Reason for absence
4. Parent's signature

The student's agenda will be stamped either excused or unexcused. Students will be allowed to make up work in accordance with the Rutherford County Board of Education Attendance Policy.

Sales

Students are allowed to sell only the materials approved for school sales during the designated times. Selling for out-of-school groups such as churches, clubs, or personal sales will not be permitted.

Tardies

Students are expected to arrive at school and be present in the classroom before 8:00 a.m. Any student that is not in his/her classroom before the 8:00 a.m. tardy bell rings must report to the office with a note from his parent where he will have his agenda stamped for admittance to class. Promptness to each class is also important. A student will receive an office referral on his/her 4th tardy in a 9 week period.

All visitors must be issued a visitor's pass before visiting any other part of the school. Exceptions to this policy must be cleared in advance by the principal. Students are not allowed to have visitors during the school day except during lunch. The visitor parking area and parking lot in front of the building are available for visitor parking. Visitors should park in the marked visitor parking areas only. Parking in the bus lane in front of the main building is not permitted at any time.

3. Report to the library and cafeteria before first period to clear any debts
4. Return all textbooks to teachers
5. Have teachers put current grades on the withdrawal form
6. Report to the office for final clearance.

III. ACADEMIC AFFAIRS

Grading Policy

The grading system for subject-area grades is expressed by numerical value. Conduct grades are based on behavior and not deducted from academic grades. The numerical values are equivalent to the following letter grade:

A: 100-93 B: 92-85 C: 84-75 D: 74-70 F: 70 and below

Every effort is made to allow students the opportunity to demonstrate their understanding of concepts and skills to achieve mastery. A grade of 70 or higher indicates mastery of a concept; therefore, students may only redo/retake assignments for which mastery was not achieved. However, if the teacher determines the student did not meet his projected score then the teacher should give the student the opportunity to retake the test. Students may earn full credit on redo/retake assignments as long as the original assignment was submitted on time. The student must complete the teacher assigned task before the redo will be allowed. Below are examples but not an exclusive list:

- Require a parent signature on the original work with a request for an opportunity to rework the assignment or retake the assessment.
 - Require students to complete a series of assignments that will yield better results.
 - Require students to attach the original work or assessment with the revised work.
 - Reserve the right to change the format for all new assignments or assessments.
 - Require tutorial session during Knight Time.
- Students will have one opportunity to redo/retake any given assignment. Redo/retake is for non-mastery of assignments.
 - Late assignments follow the late work policy.
 - If a grade reflects mastery prior to the late work points being deducted, the assignment is not eligible for redo/retake.
 - Original points lost due to the late policy will be deducted from the redo/retake grade.
 - It is important to note that the redo/retake policy is not intended to be used as regular practice by a student.

Revised 7/25/17

- Alternate assignments may be required at the teacher's discretion since some scenarios are impossible to replicate.
- Retakes will not be given during the regular class period, so students will need to make arrangements during knight time or grade recovery.
- Grades completed during the last week of any grading period are not eligible for a redo/retake.
- Students who refuse to take the original test or who purposefully mark random answers are not eligible for a redo/retake.
- The redo/retake will cover the same material, but it may have different questions and/or a different format.
- Students will have 3 days from the day the graded assignment is either posted to online grades or handed back to make arrangements for redo/retake.

Late Work:

Late work will be accepted up to 3 days after due date in extreme circumstances. If this privilege is abused then the teacher has the right to revoke the privilege. If teachers choose to deduct points for late work then no more than one letter grade will be deducted.

Grading Scale

Two school-wide parent/student/teacher conferences are scheduled each year. Additional conferences may be arranged by calling the teacher during their planning period. Teachers may not leave their class during class time to confer with parents.

Report Cards

Computerized report cards are issued every nine weeks approximately one week following the end of the nine weeks grading period. Report cards are to be signed and returned. A mid-nine week report of student's academic progress will be available via Jupiter grades. A hard copy of the mid-nine weeks progress report is available upon request.

Student Recognition

Students will be recognized in a variety of ways. The following brief descriptions will explain each form of recognition.

Honor Roll and Principal's List: We have high expectations for our students here at Rock Springs Middle School. The state has increased the rigor of the state assessments and our teachers have increased the rigor in the classroom. A student must have only A's and B's during a 9- week grading period to be recognized as an Honor Roll student. A student who receives all A's during a 9 week grading period will be recognized as a Principal's List student. We encourage all students to maximize their learning potential and to set their goals on making Honor Roll and Principal's List during the school year.

pay for a textbook/workbook that is lost, stolen, or damaged before another one can be issued. Upon presentation of the lost textbook, a refund will be given if proof of payment is provided. If a workbook is found, no refund will be given. Textbooks are the property of the Rutherford County Board of Education and will be returned at the end of the school year, completion of the course or withdrawal from school. The principal may impose the following sanctions against a student who fails or refuses to pay the fine imposed within a reasonable time:

1. Refusal to issue any additional textbooks
2. Withholding of all grade cards, diplomas, certificates of progress, or transcripts until restitution is made.

The principal may waive the assessment of fines when in his/her judgment the student is the victim of uncontrollable circumstances and not responsible for the damages
