

Welcome Elementary School

Title I Family Engagement Policy

At Welcome Elementary School, we believe that by working together we can help your child reach his/her full potential. Our goal is to reach all families through a team-building effort.

Welcome Elementary School will ensure that all families are provided the opportunity to sign a compact to help students succeed. The School-Parent-Student Compact helps ensure that every student meets student performance standards.

Welcome Elementary School will:

- Provide accessible and instructional resources for families to use at home.
- Provide reasonable opportunities for parents to participate in his/her child's learning opportunities.
- Communicate in a language parents can understand.
- Offer a flexible number of meetings/workshops/parent conferences that will lead to improved student achievement and provide opportunities for parent feedback.
- Convene an Annual Public Meeting to share the goals and vision of Welcome Elementary Title I Program.
- Engage parents in an organized, ongoing and timely way in the planning, reviewing and improvement of programs.
- Assist parents in understanding state academic content and student performance standards as well as state and local assessments.
- Provide opportunities for parents to give feedback or suggestions for improvement in an ongoing manner.
