RE: Sports Physicals for School year 2017 / 2018

East Alabama Orthopaedics and Sports Medicine (Dr. "Bob" McAlindon) and RehabWorks will again provide your high school / junior high athlete the opportunity to complete their upcoming year (2017-2018) sports physical on **April 12th, 2017** at the school. Each athlete is required by the Alabama High School Athletic Association to have a sports physical performed on a yearly basis. Attached you will find the required physical form that needs to be completed prior to their physical. Please answer all questions listed on the front page and your signature is required at the bottom **BEFORE THE PHYSICALS BEGIN**. When physicals are not filled out properly or signed before the physicals begin, it slows down the whole process and delays the process.

The cost of the physical is \$10.00 payable to: EASO (East Alabama Sports Outreach) All of the money that is collected from these physicals will be placed back into a fund that provides athletic training services and supplies for your school's athletic events.

We appreciate the privilege to provide you with this service and allowing us to care for all your sports medicine needs. Please call us for any questions or concerns:
