

LMS Weekly Bulletin 2-16-18

Adolescence is a difficult time for students socially, emotionally and physically, as their bodies begin to change. Please help us monitor your student's hygiene and dress. You're our first line of prevention to help ensure your student is school appropriate, thank you for your support.

Parents, please continue to keep an eye on your students iPad use at home. We are seeing more students attempting to access sites that either inappropriate or strictly for gaming. If you notice anything suspicious don't hesitate to check your student's browser history or contact our tech department at 548-6553.

The LMS school activity calendar is continuously updated on the school webpage. Please reference the calendar for school activity information.

- Early Release on Thursday, February 22nd at 12:40 p.m.
- No School on Friday, February 23rd.

Thanks, have a great week.

Sincerely,
