

# DISCOVERY CHARTER SCHOOL SCHOLARSHIP FUND

Originating in 2014, the **Discovery Charter School Scholarship Fund** has been able to aid Discovery alum students in the payment of their tuition each year through generous gifts of our donors. Discovery is focused on developing an institute of learning that will allow us to leave a legacy of teaching and learning through the *Discovery approach* to education through this century and beyond. We could not do this without the support of our donors. Our students accomplish academic and personal achievement in middle school and beyond, and we want to close the gap that prevents our students from reaching their highest educational ability.
