ADVERTISING AND PROMOTION (BOARD POLICY 1321)

The Board of Education is of the opinion that it is not good policy to use pupils for distribution of non-school materials in the community or for soliciting funds or on-campus sales campaigns to finance extracurricular activities. It is, therefore, the policy of the Board to limit such activities to a minimum.

Pupils may engage in raising funds, under the control of the school, only for certain approved pupil activities subject to the project having the approval of the principal of the school involved.

A yearly general report for fundraising activities within the district shall be presented to the Board of Education by the Superintendent or designee upon request.

SOLICITING FUNDS FROM AND BY STUDENTS (BOARD POLICY 1321)

All school personnel shall seek to educate pupils in the services performed by humanitarian nonprofit agencies.

No fundraising drives are to be conducted by non-school agencies or for non-school activities among the school children. Individual pupils and their parents may wish to participate with such agencies in their support as a social value and community project.

Examples of humanitarian nonprofit agencies include: YMCA, YWCA, UNESCO, March of Dimes, etc. Humanitarian nonprofit agencies do not include churches or church affiliated organizations as identified by this policy. Therefore, church and church affiliated organizations would not be allowed to disseminate information or solicit funds from or by students.

The list of humanitarian agencies and the appropriateness of the past years' activities shall be reviewed yearly by the school district.

Students may engage in raising funds to finance approved extracurricular activities subject to the approval of the site principal. The policy of the Board shall be to limit such fund raising activities to a minimum.

SCHOOL CURRICULUM OR PROSPECTUS
