We discussed two immunization clinics open to CISD students this summer to ensure opportunity to start school with compliant shot records.

Thursday August 14, 2014 in the Jr. High lounge from 4:00 PM-6:00 PM. This clinic will be provided by The North East Texas Public Health District, and will provide all required immunizations to attend Texas schools. They accept CHIPS, Medicaid, and the uninsured. Shots are free if you are covered by CHIPS or Medicaid and \$8 for the uninsured.

Friday August 22, 2014 in the Jr. High Library from 12:00 PM-3:00 PM. This clinic will be provided by Passport Health, Texas, and will provide all immunizations required to attend Texas schools. They accept CHIPS, Medicaid and most major insurances.
