SCOPE OF SERVICES
SPECIAL INSPECTION SERVICES

The Consultant agrees to further the interests of the District by furnishing the Consultant's skill and judgement in cooperation with, and in reliance upon, the services of the District's staff. Acting as an independent contractor, the Consultant agrees to provide the District with consulting services for the District's Measure M New Construction/Modernization Program as described herein.

- 1.1 Consultants services shall include providing as needed inspection and testing services to include, but not limited to the following: Geotechnical testing, Testing of Fill Material, Compaction Testing, Field and Shop Welding, Concrete Compression Strength, Mortar and Grout Compression Strength, CMU Compression Strength, Batch Plant Inspections, Reinforcing and Structural Steel, In-Plant Inspections, Structural Lumber, Tension testing, Torque and Pull Tests, DSA CMU 100% continuous inspections; and Spray on Fireproof testing, as requested by the District, for the construction projects at the District's schools to ensure that the work is in compliance with project plans and specifications as well as codes, regulations and quality control required of public schools in the State of California.
 - 1.1.1 Notify the District, its Construction Managers, and DSA Project Inspectors in writing if work does not conform to contract documents, including plans and specifications. If the Contractor fails to immediately correct the deviation, Consultant shall notify the Construction Manager in writing of the continued deviation and send copies of such notices to DSA Inspector.
 - 1.1.2 Maintain liaison with the District, Architect, Construction Managers, DSA Project Inspectors, as well as regulatory agencies and governing bodies as necessary to maintain project continuity.
 - 1.1.3 Submit, when performing testing or inspections, a report to the Construction Manager and DSA Inspector, including the following information:
 1. Project Name and DSA Number
 2. Date of Inspection/Test performed.
 3. Type of Inspection/Test performed.
 4. Results of Test/Inspection.
 5. Name of Contractor performing work.

6. Weather conditions.
 7. Nature and location of the work being performed.
 8. Record any work or material in place that does not correspond with the codes, drawing, or specifications, as well as resulting action taken. List any other problems or abnormal occurrences that arise during each day, including notations of any particular lack of activity on the part of the Contractor. Note corrective actions taken.
- 1.1.4 Provide qualified recommendations upon request from District, Architect, Construction Managers, or DSA Project Inspectors.
 - 1.1.5 Notwithstanding anything expressed or implied to the contrary, Consultant shall comply with all federal, state, county and local governmental requirements.
 - 1.1.6 Review and monitor Contractor's construction methods and procedures as requested.
 - 1.1.7 Inspect, verify, and document Contractor's delivered equipment and materials to insure that they meet submittal and specification requirements as requested.
 - 1.1.8 Submit final Lab Affidavits to Architect, Construction Manager, and DSA project Inspector in compliance with State law, which reports shall be based upon actual personal knowledge obtained through personal inspection of the construction work in all stages of its progress at the site.
 - 1.1.9 Consultant is only to report to the site as Districted by the District and/or DSA Project Inspector. Any site visits not request by the above stated parties will be at the cost of the Consultant.
- 1.2 **LOCATIONS**
Inspection services shall be provided at District school sites as directed by the District.
 - 1.3 **DISTRICT'S POINT OF CONTACT**
The District's designated representatives (Construction Manager, DSA Project Inspector) shall be specified for each project. In general, the point of contact for projects initiated by the District's Facilities Department is Nicholas Arps, Director of Facilities & Construction at (510) 476-2642. All communication and correspondence shall be through the party listed above unless otherwise directed by the District.
