

**GRANDVIEW**  
HIGH SCHOOL

Dear Interested Students and Parents,

Grandview High School is currently accepting applications with transcripts and immunization records attached. We look forward to considering you for potential future enrollment in our program. Eligible students will be called for interviews.

If you are currently enrolled in another school, please continue to attend regularly to remain an active MPS student. See your Guidance Counselor at that school to apply to Grandview.

To apply, you must submit the following:

1. The MPS Alternative School Application Form with updated immunizations.
2. An official transcript, which you must obtain from your last attended high school.
3. A copy of your current IEP if you have any Exceptional Education needs.

If you are new to the MPS district or are seeking immediate placement in another program, please contact Mrs. Della Bruno, Guidance Secretary at 414-777-7837. Thank you for your interest in Grandview High School.

Sincerely,

Debi Harry  
Principal
